

**TACTICAL 10K & 2MILE  
SATURDAY, NOVEMBER 16, 2019  
7AM START**

Thank you for taking the time to review this packet and consider being a sponsor for this year's event. The Tactical 10K & 2Mile race was created to help purchase lifesaving equipment for members of the Vero Beach Police Department Critical Response Team. The first year we were able to raise money to purchase a pole camera system, which allows the team to locate and identify potential armed suspects prior to entering dangerous environments. Since the inaugural event in 2015, we have outfitted members of the team with additional equipment needed in their operations. While our mission remains the same, this year, part of the proceeds raised will be used to assist our agency in its efforts to make improvements to the Vero Beach Police Department Firearms Facility. Please feel free to contact me should you have any questions about the event or our team.
